

Corrections to *Big History and the Future of Humanity, Second Edition*

Fred Spier, December 24, 2015

Chapter 1

p. 25: In France, Guy Dingemans, docteur at the University of Lausanne, Switzerland, pioneered along similar lines....

Chapter 3

p. 95: Even though this radiation is adding to the total cosmic entropy, the total entropy ~~was~~ ~~no longer maximized~~ ~~actually decreasing~~ as a result of the ongoing expansion of the universe.

p. 99: while incipient stars ~~that~~ are too large ~~to~~ collapse under their own weight into black holes.

Chapter 4

p.108, text box *Exoplanets and Astrobiology*: so that by June ~~19~~2014

p.119: 77⁰ ~~FK~~

p. 123: And when atoms contain six or seven ~~atoms~~ ~~electrons~~ in their outer shell....

Chapter 5

p.158: While it ~~is~~ unclear

Chapter 7

p. 252: while rodents, birds and insects ~~prayed~~ ~~preyed~~ on their harvest.

Chapter 8

p.296: herbicides ~~that~~ are used
